Project Profile

Architect: HKS Architects
Northville, Mich.

Contractor: Kasco, Inc.
Royal Oak, Mich.

The Project

The \$6 million project encompassed a two-phase renovation of the Cracchiolo Family birth center. The project focused on technology upgrades and revitalization of 31 private labor-delivery-recovery-postpartum birthing suites, 16 private rooms, the Obstetrical Emergency Department, a family education room, dayroom, new furnishings and more. Upgrades were also completed to the clinical work areas, exam rooms and the elevator bank.

Inpro® Products Used
