Project Profile

Architect: Populous®

Interior Design: American Builders
2017 (joint venture)

Contractor: Walter P. Moore & Assoc.

The Project

This new \$622M, 42,000 seat stadium is the home of the professional baseball team in Atlanta. The ballpark opened with its first regular season game on April 14, 2017, and replaces the former Turner Field.

Inpro® Products Used

Washroom Systems

[VIEW PRODUCTS](#)

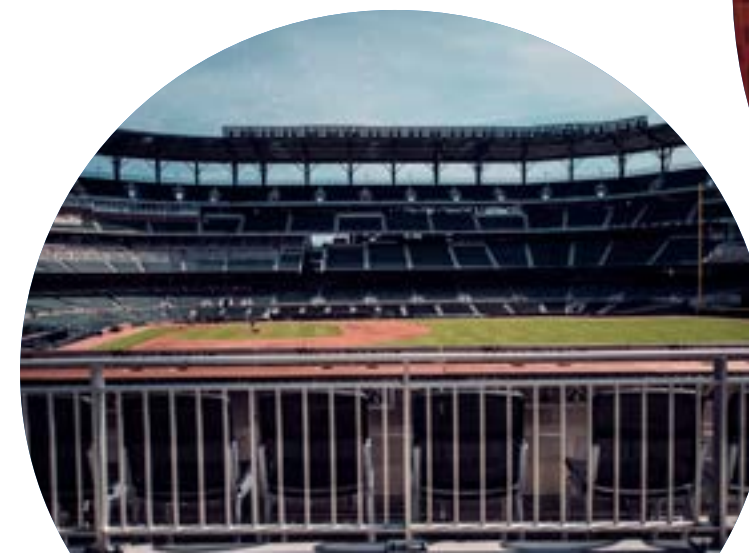

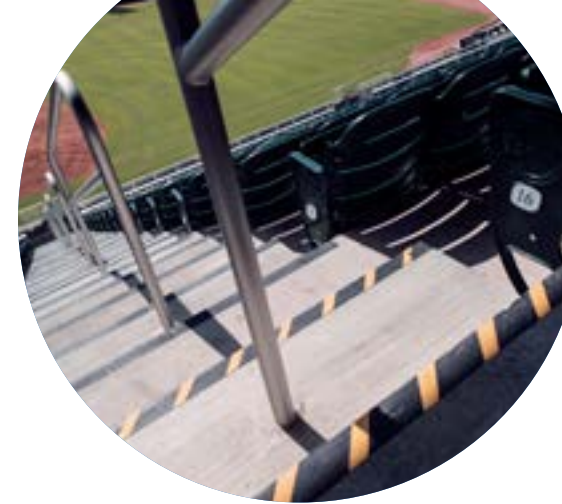

Solid Surface Toilet Partitions were installed in all restrooms on the stadium's Club Level

Expansion Joint Systems

[VIEW PRODUCTS](#)

An extensive array of expansion joints and fire barriers were used throughout the ballpark and parking deck, including:

- Nearly 3 miles of interior expansion joints, including floor, wall, ceiling, hard plate and foam systems
- 2,150 lf of Series 615 exterior joints
- 660 lf of CR compression seal in custom color
- Over 1,000 lf of fire barriers, including Fireline® 520

obsessed with protecting buildings®

How they look. How they function.
And how they protect the health and safety
of the people who use them every day.

That's why we make hundreds of architectural
products all under one roof and work tirelessly to
make sure you and your buildings succeed.

Yeah, we are obsessed. But we wouldn't
have it any other way.
